# Nortel VoIP 1210

The IP Phone 1210 is one of the desksets in the exciting IP Phone 1200 Series. The IP Phone 1210, is a standard-level desktop for basic communication needs. A great choice for lobbies, lunch rooms or other common areas.

## KEY FEATURES:

- Ergonomic design** with minimal footprint adds a professional look to your business environment while protecting your valuable desktop space. The four-way navigation cluster with Enter key maximizes user choice and flexibility in navigation.
- Quick access** to call data and features via multiple softkeys jumpstarts improved employee productivity.
- Superior audio quality** leverages some of the latest technologies to ensure crystal clear conversations.
- Integrated headset and speaker phone** - supports a high-quality, two-way speaker phone (hands-free) and other optional headsets for executives or multi-tasking workers.
- Integrated 10/100 Base-T Ethernet switch** with LAN and PC Ports reduces costs, enabling a single cable drop to support both the phone and a collocated PC
- Optimized display viewing** - 3 lines x 24 character and 143 x 32 pixel display with anti-glare screen combined with a flexible two-position adjustable footstand, optimizes viewing under varied lighting conditions
