# Nortel VoIP 1220

The IP Phone 1220 is one of the desksets in the exciting IP Phone 1200 Series. The IP Phone 1220 is an intermediate-level desktop multi-line IP Phone that supports up to four line/programmable feature keys. It's ideally positioned for office workers with moderate call activity.

## KEY FEATURES:

- **Ergonomic design** with minimal footprint adds a professional look to your business environment while protecting your valuable desktop space. The four-way navigation cluster with Enter key maximizes user choice and flexibility in navigation.
- **Quick access** to call data and features via multiple softkeys jumpstarts improved employee productivity.
- **Superior audio quality** leverages some of the latest technologies to ensure crystal clear conversations.
- **Integrated headset and speaker phone** - supports a high quality, two-way speakerphone (handsfree) and other optional headsets for executives or multi-tasking workers
- **Integrated 10/100 Base-T Ethernet switch** with LAN and PC Ports reduces costs, enabling a single cable drop to support both the phone and a collocated PC
- **Compatible with optional Key Expansion Modules (\$96)** - 2 Key LCD-Based or 18 Key LED-Based
- **Optimized display viewing** - 143 x 32 pixel display with anti-glare screen combined with a flexible two-position adjustable footstand optimizes viewing under varied lighting conditions
