Quick Connect Guide

Gadgets Setup

Follow the instructions below to securely connect to St. Cloud State University’s gadgets network.

Requirements:
• Be a current student, faculty or staff member at St. Cloud State University with a valid StarID and password.

Step 1: Go to huskynet.stcloudstate.edu/resnet/game.asp
Click on “Click Here, to get started” button

Step 2: You will be prompted to enter in your Star ID and password.

Step 3: Enter in your personal information and the device information.

Step 4: Enter in your personal information and the device information. If you need help locating your MAC address there are directions on the huskynet.stcloudstate.edu/resnet/game.asp website.

Step 5: Select a connection type and also click on the corresponding button on the picture below.
