Wireless Setup

1. Click on the Internet menu from the top and select the “HuskyNet Secure” network.
2. A window should prompt for a User Name and Password.
   HuskyNetID and

Wired (Ethernet) Setup

For faster network access, consider connecting to the wired (Ethernet) network.

Requirements:

- Be a current student, faculty or staff member with a valid SCSU ID, HuskyNetID and password.
- Have a Web browser on your device and/or computer.
- Have an Ethernet cable, available at most electronics retail stores as well as SCSU’s Computer Store in Miller Center B42 (basement).

Step 1:

Connect an Ethernet cable from your computer to an appropriate Ethernet jack. Every residence hall room is equipped with Ethernet jacks, as are the study tables in the Miller Center library.

Step 2:

Open a Web browser such as Internet Explorer, Safari or Firefox.

Step 3:

You should be redirected to the Computer Registration System. Follow the instructions to complete wire

Game Consoles, Handhelds and Other Devices
